The OTCAS Fee Assistance Program is a fee assistance program designed to assist students who demonstrate extreme financial need while applying to OTCAS.

FAP-approved applicants will receive assistance to cover the one OT school designation ($140). If an applicant receives a fee waiver and wishes to apply to more than one school, they are still responsible for the additional fees of $60 per program.

You may request a fee waiver as soon as you have created an OTCAS Application. Only a limited amount of funds are available for OTCAS to use for granting fee waiver requests, and once these funds run out, OTCAS will not honor any further fee waiver requests. You can contact customer service to inquire if waivers are still available before submitting a fee assistance request.

UGA uses Parchment—therefore, you do NOT need the Transcript Matching Form. You will be able to order the transcript online through ATHENA.

If you wish to mail your transcript, click the blue button that says “DOWNLOAD TRANSCRIPT REQUEST FORM.”

Do this for each college and provide it to the college registrar who will, in turn, attach to the official transcript.
APPLICATION TRANSCRIPT PROCESS

MAILING YOUR TRANSCRIPT THROUGH PARCHMENT:

- In Athena choose the Student tab and click on Student Records, then choose Request Official Transcripts. It will redirect you to the My UGA Portal where you will need to log in with your student ID and password. Once you have done so, choose the Parchment Icon.
- Once you click on the Parchment icon it will direct you to another page. Type in OTCAS under institution and follow the instructions. If you type in OTCAS and it does not show up in the search bar, click on the blue link below that says “click to enter your own.” Here you will enter the OTCAS mailing address. You will need to include your Transcript Matching Form which you will download under “Colleges Attended.” You will scan this form and then choose “attachment,” within your Parchment order. You will attach that form in Parchment before you complete your transcript order through UGA.
- Remember DO NOT send your transcripts before the application opens.
- Due to mailing and processing times, transcript verification can take up to six weeks so make this the FIRST item on your checklist after creating an account on OTCAS.
- All transcripts MUST be sent to OTCAS for each school you have attended (even joint enrollment). Only original, official transcripts will be accepted. The application cannot be processed without official transcripts sent directly to:
  - OTCAS
  - Transcript Processing Department
  - P.O. BOX 9120
  - Watertown, MA 02471
TRANSCRIPT COURSE ENTRY

- If you choose to manually enter your transcripts, please follow these directions:

- Now you will choose Transcript Entry and begin to add in your coursework for each institution.

- Once you are finished entering each transcript, make sure to review your entries.

- For your FYOS course, you will want to choose “special topics” as the subject.

   1. Add a term for the first institution. Term choices are Fall, Winter, Spring, Summer or Interim. Academic Choices are Freshman, Sophomore, Junior, Senior, Graduate and Post baccalaureate (In general, four-year students list one year per designation and five-year students list their last two years as senior).
   2. Add all courses for the new term. Use a recent copy of the transcript to enter the course code, course title, subject, credits and grade. See example below:

   ![Course Entry Example]

EXAMPLE OF COURSEWORK

You will enter all of your courses each semester as it is designated on your transcript. **DO NOT** rush through this section as you will need to select the courses you have entered for later sections.
COURSEWORK ENTRY STEP-BY-STEP

- Once all courses have been entered, a blue button will appear on the Transcript Entry page which says **Review and Finalize My Transcripts**. This process will allow applicants to designate specific courses study abroad, repeat, advanced placement etc. (If you need additional help with entering course work in for Transcripts please watch this [video](#)).

- OTCAS is required to factor **ALL** attempts at courses into the GPA calculation, regardless of school or state’s academic forgiveness policies. Marking a course as “repeated” will **NOT** exclude it from your GPA calculation.

- OTCAS allows each occupational therapy school to request applicants to identify prerequisite coursework. Once the **Colleges Attended** and **Transcript Entry** sections are complete, go to **Program Materials** to identify prerequisite coursework for each school.
COURSEWORK ENTRY STEP-BY-STEP FAQ

1. How do I indicate that a course is honors, AP or another special designation?
   - After entering all course, you will be prompted to complete the “Transcript Review” where identification of courses that are repeated, advanced placement, other tests, honors, or study abroad.

2. How do I list a lab?
   - If the transcript lists labs separately, then they must be listed separately on the application as well. Record the lab as it appears on the transcript, with the title, prefix/number, amount of credits, and grade given. If the transcript combines the lab/lecture courses into one class on a transcript, the should be reported as one entry on the application.

3. How do I enter in planned or in-progress terms and courses?
   - List the school “Colleges Attended” section of the application. Make sure that the attendance dates entered for this school include the time period for in-progress or planned courses. For example, if the applicant is entering a planned Fall 2017 term, end date should include Fall 2017.
   - In the course work section, add the planned or in-progress term and year. Select “In-Progress/Planned” from the drop-down menu rather than “Completed.”
   - Enter the course information. The box for the grade will be grayed out so that nothing can be entered into it.
   - Add additional planned/in-progress terms if necessary.

1. Can I update my coursework after I submit my application?
   - No. Once you have submitted your application to OTCAS, no changes to coursework can be made. If you submit your OTCAS application before your updated grades are available, you may update your coursework during the Academic Update period. An email will be sent to the applicants when the Academic Update period opens.
