General Information

The **Pre-Health Advising Office** serves UGA students interested in healthcare careers—including those in medicine, dentistry, optometry, allied-health (PA, AA, PT, OT, etc.) and nursing.

Pre-Med, Pre-Dent, Pre-PA, etc. are not majors at UGA. Instead, choose the major that you are most interested in and then work with your major advisor to outline your respective degree program and semester plan. Our Pre-Health Advisors are available to provide information about the requirements necessary for admission into health professional school but will *not* replace your major advisor.

Our current staff includes:

- **Caroline Piotrowski** | Pre-Medical Advisor
- **Amanda Spohn** | Pre-Dental/Optometry Advisor
- **Pamela Tolbert** | Office Manager
- **Dr. Gregory Spillers** | Director

New to UGA and interested in a healthcare career? You should first:

Review a Pre-Health Quick Fact Sheet

- Our office has created these resources to provide an overview of being “Pre-Med,” “Pre-Dent,” etc. at UGA and are helpful for getting you started on your path.
- Quick Fact Sheets can be obtained from your major advisor or prehealth.uga.edu

Join the Pre-HealthUGA listserv

- This listserv serves as the primary means of communication from our office.
- You may join at: <https://listserv.uga.edu/cgi-bin/wa?SUBED1=PRE-HEALTHUGA&A=1>

Attend an Introductory Pre-Health Orientation

- Introductory Orientations are held multiple times each semester and outline the various steps to becoming a successful pre-med and pre-dental student at UGA.
- Upcoming dates for orientations are sent through the Pre-Health UGA listserv at the start of each semester and can also be found on our Pre-Health Event Calendar.

Review the Pre-Health Event Calendar

- The Pre-Health Event Calendar on our website lists upcoming Pre-Health meetings, events, workshops, and orientations.

Check out the various Pre-Health student organizations at UGA

- UGA offers a myriad of different student organizations focused on healthcare and medicine, including the American Medical Student Association, Pre-Dental Society, Pre-PA Association, Med-Life, Minority Science Student Association, among many others!
- You can view a list of student organizations and contact information on the Pre-Health website under the “Get Involved” tab.
