Introductory Orientation
(for 1st and 2nd year allied health students)

Mandy Skinner
Nursing and Allied Health Advisor | Pre-Health Advising Office

Anna Williams
Pre-PA and Allied Health Advisor | Pre-Health Advising Office

Office of the Vice-President for Instruction
Our office advises all UGA students interested in healthcare careers. 
- Medicine, dentistry, optometry, allied-health (PA, PT, OT, AA), and nursing.

We are located in 130 Memorial Hall
- Website: prehealth.uga.edu
- Email: premed@uga.edu
- Phone: 706-542-0444

Visit our website:
- To join our Pre-Health UGA listserv
- To check out our Pre-Health Event Calendar for upcoming meetings/workshops/events.
- To make an appointment with a Pre-Health Advisor.
Meet our Staff!

- Caroline Piotrowski (Coordinator/Pre-Medical Advisor)
  - eolyn@uga.edu
  - dirpremed@uga.edu

- Jabari Robinson (Pre-Medical Advisor – Freshman and Sophomores)
  - Jabari.Robinson@uga.edu

- Amanda Spohn (Pre-Dental/Optometry Advisor)
  - aspohn@uga.edu

- Mandy Skinner (Allied Health “PT, OT, and Nursing”)
  - amanda.skinner@uga.edu

- Anna Williams (Allied Health “PA, PT, OT”)
  - aaw1@uga.edu

- Pamela Tolbert (Business Manager)
  - ptolbert@uga.edu
Upcoming Pre-Health Events

- **Augusta PA Informational Session and Meet/Greet**
  - Saturday, March 24, 2018 from 10:00 am – 2:00 pm at Augusta University
  - 1st annual on-campus event of its kind
  - Admissions committee members will discuss PA program and answer questions.
  - Check out the event’s Facebook page for additional details

- **Brenau PT/OT Informational Session**
  - Tuesday, April 10, 2018 from 5:00 pm – 7:00 pm in MLC 348
  - Admissions representatives from Brenau’s PT and OT programs will discuss the differences between these professions, as well as the application requirements for each program
Orientation Overview

- PA, PT and OT Schools in GA
- Application and Timeline
- Admission Requirements
- GRE
- Choosing a major
- Volunteering/Shadowing
- Research
- Letters of Evaluation
Allied Health Schools in Georgia

**PA Schools**
- Augusta University (Augusta)
- Emory University (Atlanta)
- Mercer University (Atlanta)
- Morehouse School of Medicine (Atlanta)

**PT Schools**
- Augusta University (Augusta)
- Brenau University (Gainesville)
- Emory University (Atlanta)
- Georgia Southern University-Armstrong Campus (Savannah)
- Georgia State University (Atlanta)
- Mercer University (Atlanta)
- Philadelphia College of Osteopathic Medicine (PCOM) (Suwanee)
- South University (Savannah)
- University of North Georgia (Dahlonega)

**OT Schools**
- Augusta University (Augusta)
- Brenau University (campuses in Gainesville and Norcross)
- Georgia State University (Atlanta)
What should I major in?

- Major does not matter!
  - Some majors (such as Health Promotion, Food and Nutrition Science, Biology, and Exercise and Sport Science) may be more convenient than others.
  - Pre-PA, pre-PT and pre-OT are not majors.

- Challenge yourself, take a full-load (15/16+ hours per semester), and pursue things that interest you.

- Overall GPA vs. Science GPA/Prerequisite GPA
  - Most allied health schools will calculate a prerequisite GPA, but may also calculate a science GPA for application evaluation.
    - Science GPA = Biology, Chemistry, Physics (BCP)
PA School Admission Requirements

- Always double-check with schools you are interested in!
  - Requirements can change year-to-year

<table>
<thead>
<tr>
<th>General PA School Requirements</th>

Is AP credit accepted?

- The policies regarding acceptance of AP credit vary greatly amongst allied health programs in the state.

- For **PA** programs in state:
  - Morehouse does not accept AP credits
  - All other PA programs in Georgia DO accept AP credit as long as the credits appear on your college transcript; however, it is recommended to confirm out of state program policies regarding AP credit

- For **PT** programs in state:
  - Emory does NOT accept AP credit
  - Georgia State lists that they do NOT accept AP credit for PSYC and all other AP credits are subject to committee review (however they are generally NOT accepted)

- For **OT** programs in state:
  - Georgia State lists that they do NOT accept AP credit

- Important to check with individual schools you hope to apply to.
What is the GRE?

- The GRE is the test you’ll need to apply to most allied health programs

- GRE contains 3 sections:
  1. Quantitative
  2. Verbal
  3. Essay

- GRE Composite scores range 260-340
  - Each section (quantitative & verbal) is scored 130-170
  - Writing scores range from 0-6, in half point increments
  - A score of 300 is ~50th percentile

- The length of the GRE is now ~3 hours and 45 minutes.
FAQ regarding the GRE

- **Is there any required coursework pre-GRE?**
  - No. Since the exam is a “General” exam, no specific coursework is required before taking this exam.

- **When/Where can I take the test?**
  - The GRE General Test is offered on campus at the University Testing Center. It is typically offered Monday through Friday, with two testing sessions per day. Students usually sit for the exam January-May as they head into the application cycle.

- **What is the policy regarding re-takes**
  - You can take the test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously.
  - Retakes are not recommended, unless absolutely necessary.

- **How long will my scores be valid?**
  - ETS keeps your scores on file for a period of 5 years following the date you took the test.

- **How should I prepare?**
  - You can study for the GRE on your own or take a GRE prep-course.
  - Key is to make a study plan and take advantage of practice tests!
Shadowing

- Shadowing involves observing PAs/PTs/OTs providing care to patients.
  - Exposure to “provider-patient” interaction
  - Experience reality of being an allied health professional—not always about healing or curing!

- No standard minimum number of hours for allied health schools, but >100 is a good benchmark for PT and OT. For PA schools, shadowing is encouraged, but direct patient care experience is required.
  - Variety is encouraged since programs want to ensure that you appreciate the full scope of the profession

- Start with your family healthcare providers, if possible.
  - Connect with campus clubs, they can point you in the right direction.

- Do not engage in activity that could be considered practice of medicine!
  - Especially important for medical mission trips and abroad experiences.
Direct Patient Care Experiences (for PA)

- Different than Shadowing.
  - While shadowing can be beneficial to learn more about the profession and can afford you the opportunity to develop a relationship with a PA who could serve as a recommendation letter-writer, direct patient care is more highly regarded for PA applications.
  - Direct patient care experiences involve hands-on work with patients in a healthcare setting.

- While the required number of Direct Patient Care experience hours differs amongst programs, many require at least 1000 hours prior to matriculation.
  - Many students choose to become certified as CNAs or MAs to accumulate these hours.
  - Other options for accumulating patient care hours can be found [here](#).
  - A good guide for referencing desirable experiences can be found [here](#).

- Aim to get experience in a variety of clinical settings.
Volunteering

- Volunteering involves doing good work and giving back to your community.
  - You want to be a healthcare professional to help people? Well, how have you so far?

- Volunteer experiences *do not* have to be in a healthcare setting!

- No minimum hours, simply show consistent level of commitment.
  - Find something where you’re helping regularly, not just one-offs.
  - Follow your passion!

- Keep record of experiences.
  - Dates, location, who you worked with, what you did, etc.
  - You will not be able to simply upload a resume to most applications.
Volunteer Opportunities in Athens (or nearby)

- Hospitals/Clinics:
  - Piedmont Athens Regional Medical Center
  - St. Mary’s Health Care System
  - Mercy Health Center
  - Athens Nurses Clinic
  - Athens Neighborhood Health Center

- Hospices:
  - St. Mary’s Hospice
  - Gentiva Hospice
  - Athena Healthcare & Hospice
  - Hospice Advantage
  - Pruitt Health

- Non-medical:
  - Thomas Lay After-school Program
  - Summer camps (Camp Hardgrove, Camp Twin Lakes, Camp Kudzu, Camp Kesem, etc.)
  - Action Ministries of Athens
  - Boys & Girls Club of Athens
  - Athens-Area Humane Society

- Clinical work experiences:
  - Medical Scribing
  - Medical Assistant
  - Phlebotomist

- Many, many more. Follow your interests!
Leadership

- Get involved in student organizations!
  - Allied Health schools like applicants who stay busy outside of class.

- Attending meetings is helpful but look for leadership opportunities.

- Check these out:
  - Pre-PA Club (also serves AA students)
  - Rho Tau (Pre-PT Club)
  - Omega Tau (Pre-OT Club)
  - Women in Science (WiSci)
  - Minority Student Science Association (MSSA)
  - MED-LIFE @ UGA
  - Whatever It Takes (WIT)
Research

- Research is favorable for allied health schools, but is certainly not required.
  - Can do it for course credit, for pay, or as a volunteer.
- Only do research if you’re actually interested in it.
- Does not have to be medical or translational!
- Search UGA departmental websites for possible research mentors.
  - Email professors detailing who you are and that you’re interested in their work.
  - Ask about current projects.
Letters of Evaluation for Allied Health Schools

- Most programs require **three letters**:  
  - 1 healthcare provider (PA, PT, OT)  
  - 1 professor (preferably in major or in prerequisite course)  
  - Additional letter(s) from another academic professional, healthcare provider, supervisor, or someone who knows the you well enough to speak positively on your behalf.

- Letters should come from people who know you!  
  - Will need to describe you as an individual—behavior, character traits, maturity-level, etc.
Major Takeaways

- Major in what you’re interested in and do well in your science/prerequisite courses.
- Start getting involved early and stay committed.
- Utilize the Pre-Health Advising Office!
  - Join the Pre-Health List-Serv
  - Meet with Pre-Health Advisor
  - Review our website (prehealth.uga.edu)
Recent PA Admissions Data (2016-2017)

University of Georgia

- 93/241 (accepted/verified applicants): 39% acceptance rate
- Average applicant vs. accepted GPA: (Overall/Science)
  - 3.41/3.29 vs. 3.58/3.52
- Average applicant vs. accepted GRE:
  - Verbal: 154 vs. 155
  - Quantitative: 153 vs. 154
  - Analytical/Writing: 4.0
- Matriculated into 36 PA schools
  - Including: Mercer, South, Emory, GA-PCOM, Augusta, University of Alabama-Birmingham, Wake Forest, Duke, Northwestern, Nova Southeastern and many more.

National

- 26,953 applicants for 2016-2017 cycle
  - 41% re-applicant
  - Average designations per applicant: 7
  - Matriculant data forthcoming
- National Data from 2015-2016 cycle
  - 8,580/25,755: 33%
  - Average Matriculant GPA:
    - 3.54/3.48
  - Average Matriculant GRE Percentiles:
    - Verbal: 58.94
    - Quantitative: 51.82
    - Analytical/Writing: 55.55
  - Matriculant Age:
    - Median: 23; Range: 19-59; Mean: 24.94
Recent PT Admissions Data (2016-2017)

University of Georgia

- 98/140 (accepted/applicants): 70%
  - UGA ranked as #2 in nation for “Top Primary Institutions Attended by Accepted PTCAS Applicants”!
- Matriculated into over 12 PT schools
  - Including: All 7 DPT programs in Georgia, as well as Duke, Miami, Michigan, University of Tennessee Health Sciences, and many more.

National

- 9,707/19,025: 51%
- Average applicant vs. accepted GPA: (Overall/Prerequisite) 3.41/3.30 vs. 3.59/3.52
- Average Matriculant GRE Percentiles:
  - Verbal: 51.89
  - Quantitative: 45.82
  - Analytical/Writing: 55.66
- Matriculant Age:
  - Median: 22; Range: 18-59; Mean: 22.86
- Average Designations per Applicant: 6
Recent OT Admissions Data (2016-2017)

University of Georgia

- 52 verified applicants
  - Increase from 47 verified applicants in previous admissions cycle
  - Comprehensive matriculant data and decision codes forthcoming
- Matriculated into several OT programs, including those in state, as well as Medical University of South Carolina and South Alabama

National

- Applicant and matriculant data for 2016-2017 admission cycle is still forthcoming
- For 2014 admissions cycle:
  - Doctoral Degree-Level Programs:
    - 248 students admitted
    - 1,481 total applications
  - Master’ Degree-Level Programs:
    - 6,945 students admitted
    - 40,839 total applications
How do I apply?

- Centralized Application Service
  - CASPA (for PA school)
  - PTCAS (for PT school)
  - OTCAS (for OT school)
  - *Note: Not all programs participate in these CAS systems. Make sure to research your programs of interest to determine if additional institution applications are required.

- Supplemental Applications
  - Most programs will also require a supplemental application for the institution’s graduate program, as well as application fees. Be sure to research all components of the application to ensure yours is considered complete.
